About BWT

The Best Water Technology Group was formed in 1990 and is today Europe's leading water technology company. The goal of our 2,700 employees in 70 subsidiaries and associates is to provide private, industrial, business, hotel and municipal customers with innovative, economical and ecological technologies that deliver maximum safety, hygiene and health in their daily contact with water, the elixir of life. BWT offers state-of-the-art water treatment technologies and services for drinking water, pharma water, process water, heating water, boiler water, cooling water and water for air-conditioning systems as well as swimming pool water. Employees in Research & Development work on new processes and materials using state-of-the-art methods to target the development of ecological and at the same time economical products. Thereby the reduction of energy consumption of products and the consequent minimisation of CO₂ emissions is a key issue. For more information please visit www.bwt-group.com.
